Tim will update the list of committees and send out.
5. PIT Count 2022 Update Jennifer/Tim

Jen – PIT Count went well. Great turnout with all agencies involved. Not as cold this year, and it is still open for turning in numbers of the count. Tim asked if numbers can be entered by Feb. 9th, it will help with finalizing the count. Asking an individual where they slept on the night of the 26th is what to do now with anyone to be included in the count. Some counties have finalized their numbers, some numbers are up from the last few years. Some voiced very low numbers of involvement, from previous years. We will still get a count of people in shelters, will be adding those numbers. Tomorrow, Feb. 2nd is the last day to count individuals.

Program Presentation

1. LSS Crisis Nursery Conni Orth
Conni, gave an update on this organization. Started in 1999, Jen W was there in the beginning. They partner with day cares, nurseries, and foster care groups. Updates

1. Coordinated Entry System Updates Jay Vasek
TA Bryan – Continuing with assistance from him, work groups have started forming, setting focus on what they are all doing. This is separate from the CoC Committees. See handouts for CE Monthly Meeting, 30 day follow-ups, Eval of CE System, Key Indicators, Number of Households on PL by County, and Call to Connect.
2. Youth Initiative Committee Updates Jennifer Walker
No updates yet, need to get this committee formed.
3. Ending Veteran Homelessness Update Amy Sidmore
Numbers on our Homeless registry are growing (not CE) due to evictions moratorium coming to an end. Sitting at 22 on our list currently.
4. Family Homeless Prevention Assistance Program (FHPAP) Updates FHPAP Providers
Michelle – With Rent Help ending last Friday, the assumption is that there will be an increase in numbers coming. With assistance ending and eviction moratorium’s also ending, in many areas, requests are already increasing for the need for many things. Covid is really making support very difficult.
5. REAP Updates Michele Fournier
Michelle – Last week they attended a workshop on trends and variations in paradigm shifts in changing data over the past 20 years. This data could be used in a presentation for a better understanding of this changing information.
6. Other

Status of Rent Help from Amy C, got a 2 day notice the contract was ending. There are roughly 195 applications with no money for them, but will continue to process these, hoping for funds to assist these apps. Any info on applicants who have applied and then reapplied. This hasn't be addressed yet. Danielle S last day with Lakes & Pines is 2-4 so no will no longer be attending our CoC.

Adjourn: Motion by Erin W, Second by Jay V. Motion carries!
