Action Items

1. Approve Submission of the CoC Collaborative Application, Priority Listing, and CoC Plan for the Special NOFO to Address Unsheltered and Rural Homelessness Tim Poland

Does anyone have any questions on the material sent out today? Tim pulled up material to review and gave ending info. Set Aside Unsheltered/Rural, See projects requests as well as ranking list from the Ranking/Scoring Committee. Any questions on reasoning for ranking and scoring? It will be good to get policies/processes in place as it will be easier to understand all this in the future. Bummer we were not able to request even half of what was offered, due to the processes we had to go through. Hoping the process will become easier.
